

# CARAVAN CLUB OF AUSTRALIA (SYDNEY)

CARAVAN CLUB OF AUSTRALIA INC.

The Caravan Club of Australia is the second oldest Caravan Club in Australia. We are a social club dedicated to its members who wish to see some of this great country of ours by Caravans, Motorhomes, Fifth Wheelers, Campervans and tents.. We meet at major Rallies about five times a year, generally on long weekends. Organised activities are arranged during the weekend as well as games such as Disk Bowls, Housie, Children's Hat Parades, Theme nights and community meals.

Monthly Touring Rallies are organised that can go for 7 days up to a month, generally visiting a number of country towns and tourist destinations both in NSW and adjoining states.
