

Coffs Coast Caravan Club Inc

Incorporated in 2007 - Inc 9887208

New Members Welcome!

Our Club was formed on 1 March 2007, with 15 foundation member vans. We have grown rapidly and currently have a membership of almost 100 vans. Our members enjoy regular trips away, a great social atmosphere and a strong commitment to caring for and about each other.

The Club's constitution is based on the premise of less is better – therefore very few rules have been introduced into either the Constitution or the day to day Operating Procedures of our organisation.

Rallies are generally held about every 6 weeks, with a mixture of roving and fixed destination rallies being offered. We also include some rally destinations a couple of hours' (or less) drive time from Coffs, in order to provide those who cannot travel great distances with the opportunity to attend and enjoy the company of their fellow members.

Our latest Rally – to South Ballina – was a great success. Yummy camp oven dinners, a camp fire each evening and visits to places of interest such as the Maritime Museum and Tea Tree Plantation were enjoyed by all. The weather was warm and sunny, and a great group welcomed 3 new members. Our next Rally is the 'Christmas in July' event at Evans Head – from 18 to 25 July; followed by a trip to Nambucca Heads in August for another week.

Club Meetings are held on the first Saturday of each month at the Park Beach Bowling Club at Coffs Harbour, commencing at 10.00am. Following the meeting, Members are welcome to gather for a cuppa and friendly chat. Each Wednesday, we have a social lunch for those who wish to participate – held at a variety of local eateries. The Club publishes a quarterly Newsletter consisting of relevant news items, reports on recently-held rallies, a birthday and anniversary list, upcoming dates to remember and a buy/sell section.
